**Supplemental Declaration of Reece Axel-Adams**

Reece Axel-Adams, being duly sworn, says that:

1. This declaration is a supplement to the declaration I previously filed in this case.
2. I continue to be a senior at Pendleton Heights High School
3. I have attached to this supplemental declaration a photograph that I took in November of this year of a poster displayed in Pendleton Heights High School for Outdoor Adventure Club.
4. The teachers mentioned on the poster, Mr. Hinton and Mrs. Neeley, who I believe are sponsors of Outdoor Adventure Club, do not teach physical education. Mr. Hinton teaches math and Mrs. Neeley is a language arts teacher.
5. I am aware through its advertisements that Outdoor Adventure Club mentions various activities such as caving, paint ball, kayaking, skiing, cliff climbing, and

snowboarding. These are not subjects that are taught at Pendleton Heights High School. Nor are they activities available during the normal physical education curriculum at the school.

### Verification

I verify under penalty of perjury that the foregoing is true and correct.
